

**About PLUS:**

- Furnishes raw materials for the body to use to build hormones for endocrine (gland) support.\*
- Includes nutrients to help support the endocrine system's natural production and balance of hormones.\*
- Supports a well-balanced endocrine system and helps your body maintain this balance.\*

A well-functioning endocrine system:

- helps support the body's efficient burning of fat.\*
- helps support the body's natural recovery from physical and/or emotional stress.\*
- works in harmony with the body's immune system.\*
- helps the body maintain balance.\*

**PLUS**

90 Caplets      Product Number 111  
 Member Cost      \$33.75  
 Associate Cost      \$32.15

**Optimal Endocrine Health**

Having a well-balanced endocrine (glandular) system is essential for optimal health. A well-functioning endocrine system works in harmony with the body's immune system. It also helps support the body's efficient burning of fat and natural recovery from physical and/or emotional stress.\*

**PLUS caplets are designed to supply raw materials for the body to use for endocrine support to help maintain hormonal balance in the body.\***

PLUS does not contain any hormones. Instead, PLUS provides nutrients that help support the endocrine system's natural production and balance of hormones. Nutritional components of PLUS include wild yam, amino acids and beta-sitosterol.\*
